St. Francis Borgia Leadership Institute

2017 Leadership Retreat

The St. Francis Borgia Leadership Institute is a student leadership development program sponsored by Jesuit High School designed with the threefold purpose of identifying current and potential student leaders, offering formation in the virtues of leadership, and fostering collaboration among the different organizations, clubs, and teams within the school community.

PURPOSE: The retreat will focus on activities designed to help you reflect on your ongoing formation as student leaders in the context of the mission and history of Jesuit High School. This time together will also allow you to collaborate with leaders of your own and other organizations, clubs, and sports team within the Jesuit community to discover those distinctively Jesuit qualities of leadership. You will learn about leadership in the three areas of student life (classroom, co-curriculars, athletics, etc.), spiritual life, and the life of service. You will also be called to action in implementing what you have learned and experienced in your own lives as well as the school community in the upcoming year.

STUDENT SELECTION: This retreat is open to all incoming Jesuit 9th – 12th graders. Students from various organizations on campus (Student Council, NHS, Student Ministry, etc.) may receive invites from their moderators. Teachers and Coaches may also directly invite individual students for this retreat.
