Dear Parents,

Let me begin by saying thank you for your patience and understanding as we all worked through this new and very different type of teaching and learning this past quarter. It certainly was not an ideal situation, but I am proud of the work of our teachers and students during this time.

Now that the school year is coming to an end, we will be holding return-to-campus days for each grade level in order to provide students with an opportunity to clean out lockers, return school supplies, and add closure to this school year.

Students are asked to come to school in the following groups and on the following days/times if possible:

These groups will allow us to maintain manageable numbers while observing social distancing protocols. Students are encouraged, but not required, to wear masks during this event. Students will line up in the parking lot and move to the courtyard and commons to return and pick up various items. Parking will be available in the Roussel parking lot.

The following items should be returned on this day:

State Textbooks

Co-curricular uniforms and equipment (such as band, ROTC, athletics, etc.)

Library Books (and calculators from the library)

Printing fees

Unsold raffle tickets

Students will also be able to pick up items such as 2019 yearbooks, Taylor awards, etc.

Return-to-Campus Day is for students only. Only Jesuit students will be allowed to be on campus that day. Thank you for your assistance with this as we look to respect safe distancing throughout the process.

Summer session will take place here on campus as originally scheduled. Those students who need to attend summer session will receive specific information regarding this once grades are finalized.

Thank you again for everything you did to help make the best of this unfortunate situation, and please contact the principal's office with any questions regarding return-to-campus days.
