GENERAL ITEMS

All AP exams must be taken as scheduled. If there is a conflict between your final exam (seniors or students scheduled for late AP exams) and your AP exam, you must see Ms. Juhas to reschedule your final exam.

No late exams will be given for students with AP conflicts resulting from an optional event (retreat, college visit, vacation). The only exceptions for scheduling a late AP exam are an unforeseen emergency or a mandatory school sponsored Jesuit event (i.e. advancement in the competition of an extracurricular activity). Students are charged an additional \$40 to take late exams.
