FACULTY PROFILE

Jesuit boasts a faculty of 120 members, 56 of whom hold advanced degrees, including four who have earned doctorates in their respective fields.

The faculty roster is enriched by six Jesuit priests and scholastics. Among our nine guidance counselors, three are dedicated full-time to college placement.

There is a student-teacher ratio of 12:1, with an average class size of 25.

FINANCIAL ASSISTANCE

Jesuit proudly maintains a robust tuition assistance program, generated by the school's endowment. Today, benefactors continue to support Jesuit's endowment through scholarships, enabling the school to maintain an admissions process where financial capability is not a determining factor.

Tuition assistance is based solely on financial need. Jesuit does not award academic, athletic, or other merit-based scholarships or financial awards.

- Families can receive partial or full aid depending on demonstrated need.
- Aid is re-evaluated each year.
- Families can apply for aid in light of new or extenuating circumstances.

Upon their son's acceptance, parents are advised to contact Jesuit's finance office to discuss the procedure for applying for tuition assistance for the coming school year.
