

## JESUIT HIGH SCHOOL ARCHIVES DONATION FORM

Thank you for your contribution to the Jesuit Archives. Preserving the story behind your donated items is as important as preserving the items themselves. For example, a uniform is just a piece of clothing without the memories and context of the student who wore it. Please take a moment to write down the story that accompanies your donation. Including background details helps our team understand the significance of the items and allows us to preserve their full history for future generations of Blue Jays.
