

BLUE JAY RUGBY SCHEDULE SPRING 2026 (VERSION 2)

Note: The match times TBD (typically between 1-5). We expect to have a B-side match for almost (if not every) match.

Matches highlighted (blue) are travel matches. The matches highlighted (yellow) are those for which we must host a post-match social for the away team.

Note: Unlike other sports, the rugby schedule typically has some fluctuation, i.e., match times may change and new fixtures may be added. Updated schedule will be sent as things change.
